LETTER FROM THE PRESIDENT:

Dear Friends and Family of Grow Mongolia,

Greetings in the name of our Lord Jesus Christ, who gives us strength every day. As a first generation believer from my nation Mongolia, saved by King Jesus, I am humbled to present this annual report 2023-2024.

Since we released our first annual report in 2023, God has used us in an unbelievable way, thanks to your prayers. You will enjoy reading the testimonies of our team members across Asia, and the numbers that speak volumes about our ministry despite our humble budget of \$300,000 during that period. Our prayers for your partnership and cheerful giving were answered. Praise the Lord!

Grow Mongolia just marked our 3 year anniversary, and raised our first half a million dollars. Those 585 donations have funded Gospel advancements in Mongolia, Central Asia and places around the world through prayer walking, evangelism, and shepherding. However, God also allowed us to mourn the loss of our founder Peter Kling during this season. Peter left us with a mission to rescue more lost souls among Mongolians all across the globe, to enjoy the eternal life promised by the King of Kings.

A couple of more highlights in the past year (September 2023-October 2024) were:

- Our board of directors expanded. Leonard Wolner and Stephanie Brown joined me and Chairman of the Board, William A Korn.
- Our donor base grew by 45% year over year. Of our 216 donors, 22% of give regularly.
- We have two solid church partnerships out of state: one from Maryland (Bay Area Community Church), and one from Southern California (Calvary Chapel Old Towne), which already plays a vital role in all of our ministry areas.
- We sent our first long-term worker to Mongolia. We believe he is just the first of many long-term workers who can be raised up from the States.
- We sent 5 short-term mission trip teams from the States during this season, which harvested hundreds of Mongolians who made their decision to follow Jesus.
- We currently have 4 Vice Presidents who lead major parts of the ministry; Jim Jeffery, John Paul Sprecher, Wednesday McMillan, and James Lee.
- Our board and leadership team granted me a sabbatical this summer, which allowed me to strengthen my family and hear God's vision for our ministry and my family.

Enjoy reviewing God's work among the Mongolians in Mongolia, East Asia, and Central Asia. The same God who worked transformation in your life is transforming the lives of Mongolians around the world.

In Christ,
Sainbayar Beejin, President and CEO

WHO WE ARE:

OUR STORY

Grow Mongolia began in 2016 in response to God's call for Mongolians to bring the gospel to Asia and beyond. Officially incorporated in July 2021 as a tax exempt 501(c)(3) organization, Grow Mongolia conducts direct evangelism and discipleship for Mongolians across the globe. In alignment with God's original call for Mongolians to share the good news with other nations, founders Peter and Sainbayar prayed that, through the power of the Holy Spirit, the number of Mongolian Christians would grow significantly. Inspired by the Apostle Paul's unwavering commitment to proclaim the gospel to the ends of the earth (Acts 28:31), they envisioned the former landscapes of the Mongol Empire under Chinggis Khaan and his descendants being transformed—covered in prayer, prayer walking, active evangelism, church planting, and discipleship to reflect the character of Jesus. Like Paul's appeal in Acts 27:25 to 'keep up your courage, for I have faith in God,' they prayed for a movement of bold, faith-filled believers mobilized to bring light to the spiritually darkest areas of the world.

VISION & MISSION

Grow Mongolia's vision is to transform the Mongolian people into a Christ-centered nation through the power of the Holy Spirit (Philippians 1:6), by introducing Jesus Christ as Savior and Lord to the Mongolian people and discipling Christian Mongolians to carry out the Great Commission.

MISSION STRATEGY:

PRAYER - The destiny of the nation and its people are transformed through prayer (1 Timothy 2:1-5). Prayer walking to lay a foundation for evangelism and church planting.

EVANGELISM & CHURCH PLANTING - Sharing the gospel with every Mongolian, starting with the most densely populated cities or towns (Mark 16:14-18). Continuing to every unreached people group, city and town (Acts 5:12-16).

DISCIPLESHIP - Promote intergenerational spiritual reproduction using a variety of discipleship tools that are most effective throughout the world (2 Timothy 2:2).

MOBILIZING MISSIONS TEAMS - Raise up teams of Mongolians and our supporters for mission trips to all 500 political subdivisions of Mongolia, and to the Mongolian diaspora in over 60 countries around the world. (Matthew 28:19-20)

Prayer Ministry Overview

Grow Mongolia is a ministry founded on prayer, emphasizing its role in evangelism, church planting, and community transformation. Through initiatives such as the Prayer Walking movement, the Prayer Walking for the Nation on-line training, Mountain Prayer Walking, and the Prayer Walking Missions, we aim to bring prayer into the heart of everyday life. Our goal is to connect believers with God, encourage a strong prayer life, and focus on unreached regions. To support this, we distribute the Prayer Walking Guide booklet free of charge.

Highlight: FRIENDS AROUND THE TABLE CONFERENCE

The international “Friends Around the Table” (FATT) conference, organized by the Southeast Asia Prayer Center (SEAPC), was hosted in Ulaanbaatar, Mongolia. The event, co-organized by Grow Mongolia and the Christian Fellowship church, brought together pastors, Christian leaders, and mission representatives from four countries and eight regions.

The roundtable provided an opportunity to share testimonies of God’s work, foster friendships in Christ, and discuss strategies for expanding His kingdom through collaboration. This annual regional event allows leaders from many nations to learn and grow together in fellowship.

Excitingly, due to the success of past collaboration, **SEAPC has selected Mongolia to host the FATT Asia 2025 summit. Scheduled for June 23-25, 2025**, this event is expected to welcome over 120 delegates from 15+ Asian countries. Grow Mongolia representatives have actively participated in Asian Summits for three consecutive years, paving the way for this opportunity.

Highlight: PRAYER WALKERS MOVEMENT

Prayer is central to all our ministries. Three years ago, Grow Mongolia began translating and distributing the Prayer Walking Guide. This effort gave rise to the “Prayer Walkers” movement, uniting individuals dedicated to walking and praying for their communities.

The Prayer Walkers Facebook group now includes over 500 members from Ulaanbaatar, local areas, and abroad. Members actively share prayer topics, testimonies, and intercessory prayers for their communities.

*I will give you every place
where you set your foot,
as I promised Moses.*

Joshua 1:3

PRAYER MINISTRY REPORT

Prayer Walking for the Nation: The “Prayer Walking for the Nation” online training has been conducted five times, **reaching 163 participants.**

Prayer and Praise Gatherings: **A total of 29 gatherings** were organized in three locations: Ulaanbaatar, Darkhan, and Selenge.

Distribution of Prayer Resources: The Prayer Walking Guide booklet has been printed and distributed, with **10,000 copies shared** across Mongolia’s 21 provinces, as well as America, Korea, and Inner Mongolia, China.

Mission Outreach: The Grow Mongolia Team’s “Prayer Walking” missions have **reached over 200 people across 13 countries and 17 soums in 8 provinces of Mongolia.**

Mountain Prayer Walking: Two Mountain Prayer Walking events were held, **involving 32 participants from 10 churches.**

#Testimony: XJ24 mission team

WAITED 11 YEARS FOR A BAPTISM!

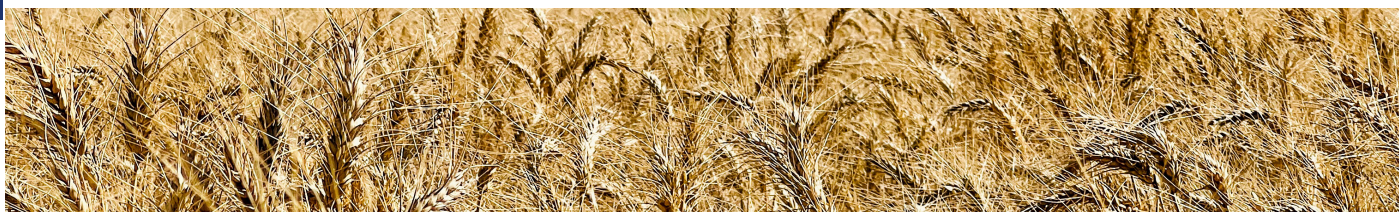

During a mission trip to the Xinjiang Autonomous Region of China, the Grow Mongolia team witnessed ministries reminiscent of the book of Acts. One remarkable encounter involved an Oirat Mongol family. The head of the household was an active Party member, making the visit risky. Yet, the Lord's peace filled the home as the team shared the message of salvation. At the end of the meeting, the team leader cautiously asked if anyone wanted to be baptized. To their amazement, six people from three families stepped forward, including the matriarch of the home, who exclaimed,

“We have been waiting for a baptism for 11 years!”

With urgency and joy, she and her husband were baptized, bringing great celebration not only in their village but also in Heaven. This experience was a profound reminder of the hunger for the gospel in unreached areas.

*Then he said to his disciples,
The harvest is plentiful but the
workers are few.*

Matthew 9:37

Evangelism & Church Planting Overview

Grow Mongolia actively conducts both short- and long-term missions locally and internationally. These efforts include street evangelism, home visits, Bible distribution, charity outreach, prison ministry, and support for scattered Mongolians. We also collaborate with international teams for mutual service and learning opportunities.

Through organized training and strategic meetings, Grow Mongolia moves beyond one-time activities to develop long-term evangelism and church planting strategies. Initiatives like the Harvest Like Jesus training program and the Simply the Story (STS) module provide tools to empower leaders with effective biblical strategies for ministry. We also aim to equip local believers to glorify God through their work and business while preparing them as mission leaders, church planters, and pastors. These efforts are supported through collaborations with internationally experienced experts.

Highlight: HARVEST LIKE JESUS TRAINING

In May 2024, the Harvest Like Jesus training on gospel strategies and effective church planting was successfully held in Ulaanbaatar and Darkhan. This was the first time the training was conducted in Mongolia, in partnership with the Harvest Team international organization.

Participants included pastors and leaders from over 40 churches across 5 provinces, as well as international and local mission organizations. The training focused on biblical, Christ-like methods of evangelism and church growth. A key feature of the program was the Discovery Bible Study (DBS) methodology. Participants praised it for its practicality and effectiveness in ministry. Grow Mongolia is now integrating DBS into its discipleship and church planting strategies, partnering with local churches to form new groups.

Looking ahead, Grow Mongolia plans to continue its collaboration with the Harvest Team, host an evangelistic team in 2025, and launch a mentoring program to establish Discovery Groups (DGs) of 6-8 new believers.

EVANGELISM & CHURCH PLANTING REPORT

Evangelistic Teams: 2 teams welcomed 13 new members.

Prison Ministry: 2 visits reached 750 individuals.

Evangelistic Events: 4 events impacted 73 people.

Home Visits & Assistance: Evangelistic home visits and food assistance supported 45 families.

Bible Distribution: 630 Bibles distributed.

Gospel Reach: 418 people heard the gospel, with 8 baptisms.

Church Planting Training: 6 church planting-related trainings and conferences held.

Partnerships: 23 partnerships established to support church planting.

Church Growth: 1 church planted, 2 more preparing for planting.

Highlight: SIMPLY THE STORY (STS)

In May 2024, members of the Mongolian and Central Asian Grow Mongolia teams participated in the Simply the Story (STS) initial assistant teacher training in Kazakhstan. This marked the beginning of efforts to bring the program to Mongolia.

In collaboration with international trainers from the United States and Uzbekistan, basic as well as advanced STS assistant teacher training sessions were held in:

- Ulaanbaatar: May 22-25 and May 27-31, 2024
- Bulgan Aimag: June 3-7, 2024 (520 km from Ulaanbaatar)

These initial trainings were attended by Christian leaders and pastors from Ulaanbaatar, Darkhan, Bulgan, Selenge, Dundgovi, and Khuvsgul aimags.

The STS methodology focuses on simplifying the study of biblical stories while equipping participants to:

- Explore the Bible deeply and lead discussions effectively.
- Memorize and internalize Bible stories, improving their memory and spiritual growth.
- Share the gospel and lead small groups with confidence.

The modular program will continue in January-February and November 2025, with plans to develop national-level trainers to expand this impactful method across Mongolia.

Highlight: BIBLE DISTRIBUTION

Grow Mongolia co-founder, Peter Kling, faithfully dedicated his life to sowing the seeds of ministry among the Mongolian people, answering the call of the Lord. In his final days, Peter's heartfelt mission was to ensure that every Mongolian household would have access to the Bible in their native language.

Having completed his journey in faith and now resting with his

heavenly Father, Grow Mongolia Ministry has embraced and continues his vision, spreading the Word of God across Mongolia.

2024 Achievements:

This year, Grow Mongolia distributed a total of 630 Bibles:

- **500** Bibles during the Bible Tasting Training with Burkhan-tiin Esus church in Darkhan
- **50** Bibles to graduates of the Operation Timothy Program.
- **40** Bibles through the Gospel Mission.
- **50** Bibles at Pastors and Elders Meetings.

All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness,

2 Timothy 3:16

Discipleship Overview

Grow Mongolia is dedicated to developing and adapting proven discipleship programs and resources tailored to the Mongolian context. A cornerstone of these efforts is the complete translation of the Operation Timothy series by CBMC into Mongolian. This program, designed for both personal and field discipleship, has been published as a set of books.

Additionally, Grow Mongolia is fostering a Discovery Group initiative—a Bible study model that focuses on multiplying new believers through small group studies. The organization also hosts conferences and training sessions to empower local churches with practical discipleship tools, while producing and distributing theological materials in Mongolian to strengthen Christian faith systematically.

Highlight: OPERATION TIMOTHY CONFERENCE

In 2024, Operation Timothy conferences marked significant milestones:

- 1. Regional Conference in Dornod:** Held in October in the eastern hub, this conference covered the provinces of Dornod, Sukhbaatar, and Khentii, introducing regional leaders to the program.
- 2. Annual Conference in Ulaanbaatar:** Conducted on November 11–12, this event featured Mark Hofert, a prominent instructor from CBMC's Product Development Department in the U.S., who personally trained and prepared Mongolian leaders.

A key highlight was the unveiling of the Mongolian translation of the Operation Timothy book series, which Grow Mongolia spent three years developing. These resources are now freely accessible online through the CBMC Advance System, enabling worldwide use.

Highlight: DISCOVERY GROUP INITIATIVES

The Reaping Like Jesus project has launched 13 new Discovery Bible Study Groups. Each group consists of 2–6 participants who meet for about an hour to study specific Bible passages with a focus on practical application and obedience. The aim is to nurture followers of Christ through regular engagement with Scripture.

To support this initiative:

An introductory online meeting for previously trained and new leaders is scheduled for January 2025.

Monthly online mentoring sessions are ongoing, with further training planned in collaboration with the Harvest team.

In May 2025, Grow Mongolia will welcome the Harvest evangelism and training teams for additional mentorship and outreach.

13+

Discovery Groups currently active.

“The Faith in My Heart Cannot Be Extinguished.”

Elder R. Otgonsuren, answering the Lord's call, returned to her homeland after 35 years. She now serves in Tarialan Soum, Uvs Province, where over 80% of the population belongs to the Muslim Khoton ethnic group. Sharing the gospel in such a region was a significant challenge, especially as a widow.

Yet, through unwavering faith and prayer, the Lord has blessed her ministry, and the number of new believers grows daily.

One powerful testimony involves a woman in her church who has endured severe persecution, including domestic violence, because of her faith in Jesus. Despite the hardship, she remains steadfast, declaring:

“Even if I am beaten, crushed, and persecuted, no one can quench the faith in my heart. I believe in the word of the Lord.”

This woman secretly studies the Operation Timothy book when her husband is away and has begun discipling other women in similar circumstances. Otgonsuren's perseverance continues to bear fruit, as many in this community are coming to Christ.

‘And I tell you that you are Peter, and on this rock I will build my church, and the gates of Hades will not overcome it.’

Matthew 16:18

Mobilizing Mission Teams Overview

Grow Mongolia mobilizes and partners with short-term mission teams from both international and local communities. These teams are dedicated to prayer walking, evangelism, discipleship support, and church planting in unreached communities. Collaboration between international and local churches is at the heart of these efforts, accelerating the fulfillment of the Great Commission.

Highlight: INTERNATIONAL MISSION TEAMS

From September 12–21, 2024, a 7-member evangelistic team led by Jim and Fred traveled from Vir-

ginia, USA, to Mongolia for their third consecutive year of ministry. Their mission, in partnership with Grow Mongolia's prison ministry, reached over 300 inmates, sharing the gospel of spiritual freedom and eternal life. The team also provided much-needed washing machines to improve prison conditions, demonstrating Christ's love through both word and deed.

This year, their primary focus was on Choibalsan, the capital of Dornod Province, where Grow Mongolia is establishing its first local base. With the help of translators, volunteers, and a team of 30 people, they conducted a 4-day evangelism campaign, resulting in 195 individuals accepting Jesus Christ as their Savior and Lord.

A significant highlight of the trip was the first-ever Regional Operation Timothy Conference, which brought together pastor-leaders from the provinces of Sukhbaatar, Khentii, and Dornod to enhance evangelism and discipleship efforts.

Highlight: MISSION OUTREACH AND RESEARCH

Grow Mongolia extends its ministry to serve the Mongolian diaspora in East Asia, including communities in China, Russian Siberia, South Korea, and Japan. Recent efforts have expanded outreach to the diaspora in Inner Mongolia, Buryatia, and Xinjiang.

Currently, the team is working on compiling and publishing a prayer research booklet detailing the Mongolian diaspora across more than 40 countries worldwide. This booklet will provide insights into the spiritual needs and opportunities for ministry within these administrative regions. Mongolians' natural adaptability, linguistic skills, and ability to live harmoniously with diverse ethnic groups

make them uniquely equipped to share the gospel, especially in the 10/40 Window, where access to the gospel is most challenging.

Highlight: FROM THE UNITED STATES TO BULGAN SOUM, KHOVD PROVINCE, MONGOLIA

The Grow Mongolia team in America proudly sent its first long-term mission worker.

Our partner, Robert Schorr, former senior pastor of Calvary Chapel Old Towne Church and founder of the San Yi Good News Center in Taiwan, joined the first-ever missionary team to Mongolia in the fall of 2023. During that mission, Robert felt a rekindled calling from the Lord to serve the Mongolian people.

In the spring of 2024, he returned to explore potential locations for his ministry, traveling extensively across Khovd Province. After much prayer and discernment, he chose Bulgan Soum as the site for his long-term mission. Following months of preparation and overcoming visa challenges, he received his long-term visa in September 2024.

Robert now serves as an English teacher in Bulgan Soum, a remote area in western Mongolia near the Chinese border, 1,855 km from Ulaanbaatar. As the first Westerner to reside there long-term, he was warmly welcomed by the local community, and his ministry is already making a profound impact.

CENTRAL ASIA TEAM, MINISTRY SUMMARY 2023-2024

Our Central Asia Prayer Team did prayer walks in 42 cities and villages of 12 countries: Kyrgyzstan, Kazakhstan, Tajikistan, Uzbekistan, Turkey, Russia, India, Thailand, Nepal, Mongolia, China, and Korea; and spread the gospel in some cities and provinces. We went on 12 mission trips to Uzbekistan, Kyrgyzstan, and Kazakhstan. We distributed 40 Christmas gifts to Kalmyk and Hazara households. Three families have accepted Jesus Christ as Savior and Lord.

Enkhjargal, a member of the Central Asian team, was a Kalmyk woman who was suffering from lupus, an autoimmune disease that caused her to be unable to get dressed or stand up. After 10 days of massage and prayer, her body was completely healed. She also accepted Jesus as her Savior.

Our goal for the next year is to increase the number of our team members and volunteers. We will also work with pastors in Central Asia to focus on reaching the 74.6 million unreached people in Central Asia.

- We will work with mission teams to share the gospel in Central Asia, Turkey, and Azerbaijan.
- We will prayer walk in Central Asia, Turkey, and Azerbaijan.
- We will have team members in Tashkent, Uzbekistan; Dushanbe, Tajikistan; and Baku, Azerbaijan.
- We are planting an English-language church in Bishkek.
- We will serve together with pastors from Central Asia.

Number of team members: **5**

Number of volunteers: **8**

Number of partners: **4 churches & 2 organizations**

Number of people who received the gospel: **174**

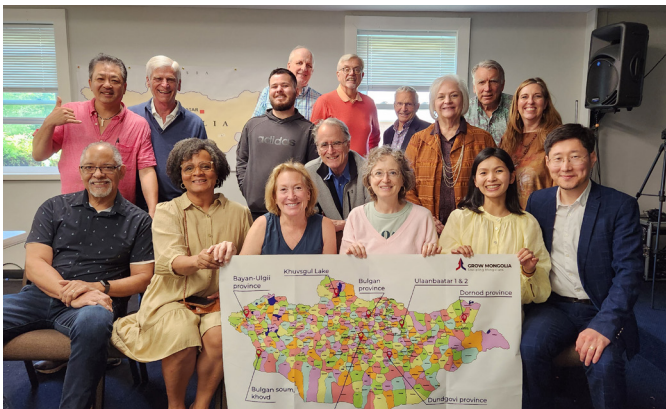

Number of new believers: **48**

Number of new people baptized: **36**

Number of countries and cities reached: **12**

Number of missions: **12**

HQ Operations in Virginia, Ministry Summary 2023-2024

God has grown us far beyond what we hoped for, because of His grace and mercy. Our US operations have been primarily focused on mobilizing mission teams going to Mongolia, building leadership that guides ministry areas in alignment with the Great Commission, and raising resources to meet the needs of our team members, workers and missionaries we support in Mongolia, East Asia and Central Asia.

During this season, we have strengthened and found new partnerships like;

- Southeast Asia Prayer Center (SEAPC) based out of Pittsburgh, Pennsylvania for our prayer walking and Friends Around the Table ministries
- Christian Businessmen's Connection (CBMC) based out of Chattanooga, Tennessee for our discipleship and evangelism ministries

- East-West Ministries International (EWM) based out of Plano, Texas for our mobilization
- God's STORY and Harvest Teams based out of Southern California for church planting
- Calvary Chapel Old Town church who sent their first long term worker to Mongolia and adopted my family as their missionary family.
- Bay Area Community church who participated in our 2024 annual gathering in a major way, assisted our board of directors becoming more like Jesus, and sent their first short term mission team just a few weeks before we release this report.

As my family prayed towards the end of 2023, wanting to start with tithing our first week of the year as a way of relying on His guidance, the Holy Spirit led us to prayer walk Philadelphia, Pennsylvania. Then,

we were able to make a trip to Detroit, Michigan to start our partnership with God's STORY ministry to start their Simply the Story church planting training in Central Asia and Mongolia. It allowed my family to prayer walk both Detroit and Dearborn cities.

During our sabbatical season, we were able to prayer walk the capital city Sacramento of California, tourist sites like Grand Canyon in Arizona, monuments like Hoover Dam and Mount Rushmore National Memorial in Nevada and South Dakota during our 9,000 miles drive across 20 states to learn how God blessed this nation far beyond what they would have dreamed during its' initial hundred years.

Grow Mongolia penetrated 2023-2024

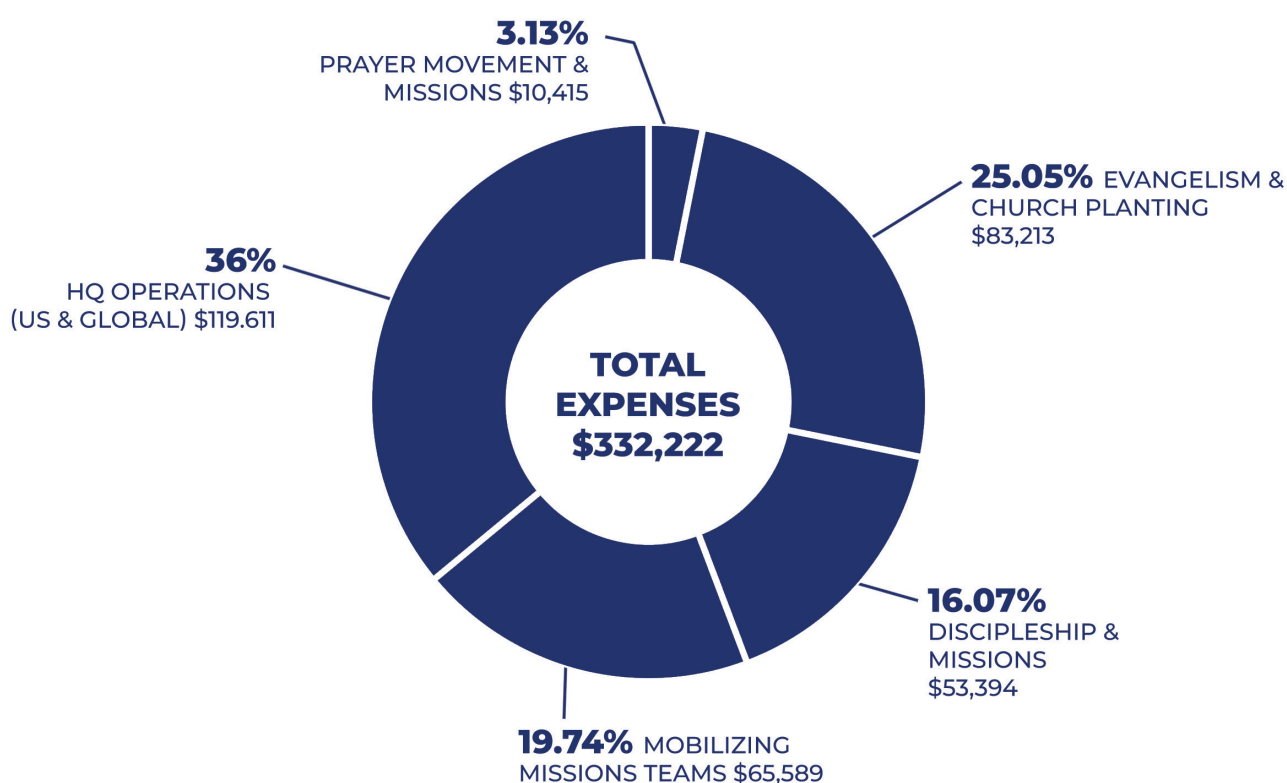

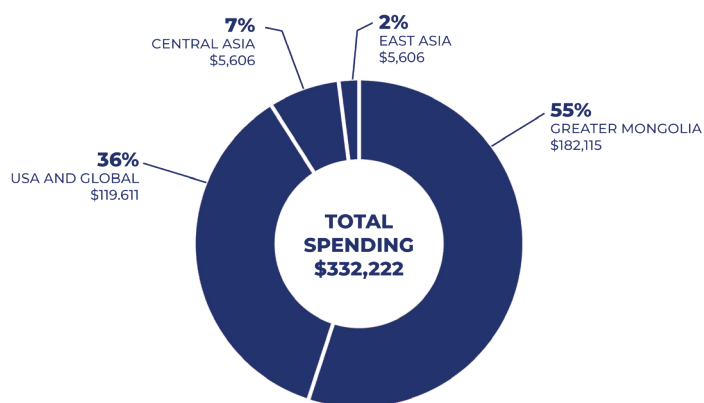

GMM strategic objective is to establish 9 local bases for both national and regional expansion internationally

Financials Report

In terms of our fundraising efforts, we had major breakthroughs such as fulfilling our budget goal of \$300,000 during these 13 months of the annual report with net operation income of \$46,261 in our accounts as of October 31, 2024 for various needs and projects of the ministry that will carry us successfully through 2025.

In the next 3 years, we want to grow between 150% - 300%, which means \$800,000 between November 1st 2024, and December 31, 2025. Would you please continue standing with us in faith through prayer and financial partnership as we trust God for His provision?
